

NOAA Tools Training

**NOAA Beaufort Lab Auditorium, Beaufort, NC
October 17, 2017 – 9:30 am - 4:15 pm**

Workshop purpose – Participants will learn about the National Oceanic and Atmospheric Administration (NOAA) resources available to improve local decision-making. Participants will get hands-on experience with various tools, including the Sea Level Rise Viewer and the Coastal Flood Exposure Mapper, as well as learn about resources available through NOAA's [Digital Coast](#).
